GO PANTHERS

North Entertains Centerville . . .

The Homecoming game on Friday, October 23, resulted in a 36-0 loss to the Centerville Elks. The Panthers came into the game with a 6-1 record hoping to defeat the Elks — a feat that had not been accomplished since the mid 70's, and again the Panthers were no match for an unbeatable Elk offense.

Homecoming 1987

"This Homecoming was different from all others for me. This year I was in charge of it. I had to make sure everything was done and done on time. Without the help of so many students and teachers, Homecoming wouldn't have been the reality it was. After putting in all the hard work it paid off. Nineteen clubs participated. Each had a float and candidate, who was introduced at the football game Friday night of Homecoming. This year we built a maze for the floats and candidates to sit in. After decorating all day Saturday, the big night finally came. Almost 450 students showed up along with some faculty members. The Bob Gray Orchestra played and at 11:00 the Queen was to be announced. Our M.C., Mr. Manoloff, announced the seventeen second runner-ups, and each received a crown. Then Julie Comerford was announced the first runner-up. I was Queen! I was crowned by Mrs. Lazear, our advisor, and Kristi Knight. In my four years at North that was the most exciting and best thing that has happened to me."

KEY CLUB

The 103 member North Key Club is one of the most active clubs at North. It is sponsored by the Springfield Kiwanis Club. Throughout the year the club participated in such activities as the Big Brothers/Big Sisters Bowl-a-thon, Cystic fibrosis Walk-a-thon around Springfield. Key Club sponsors Career Day at North and shopping sprees for underprivileged children at Christmas and Easter. In addition, the club hosts a Grandparent Luncheon and coordinates Teacher Appreciation Week. It also organizes Channel 2 TV's Food For Friends canned food drive at the North and Coordinates the Police — faculty basketball game.

The North Key Club received many awards this year. At the Ohio District Convention it was awarded third place out of all other clubs with membership over 60 people for service. The club received first place in the Dayton-Springfield area for overall achievement. Key Club's advisor, Mr. Conrad Turner, received a Citation by the International board of Directors of Key Club for his outstanding guidance and leadership. In addition, the North Key Club President, Boyd Patton, was named outstanding president for the Dayton-Springfield area.

After 28 years of service to North High School, Asst. Principal Conrad Turner recently made the decision to retire. Mr. Turner started his career at North in the fall of 1960 when the school was founded. He was one of the school's first guidance counselors. Three years later he became Asst. Principal. He has held that position for the past 25 years. During those years his primary responsibilities have been discipline, scheduling, student activities, Student Council and Key Club. The students, faculty, and staff of North High School wish him the best in his retirement.

NEW YORK, NEW YORK

Judson & Stephanie

Lil' Abner, this year's spring musical production provided its audiences three fantastic performances after a month of long hours and hard work. The dedication of directors John Cantrell and Cynthia Griffin helped to maintain North's reputation of excellence in theatrical and dramatic production. The choreography was taught by the noted dancer Gary Eis, and the set was designed by Tim Rowe.

On the Edge of a Dream

Marvin and date enjoy the evening.

Shelley and Mike dance the night away.

The 1988 Prom was celebrated on April 23 from 8 pm till midnight at the newly renovated Marketplace. "On the Edge of a Dream" was the theme chosen by the junior class for this annual gala event. The faculty provided on-site valet parking for the prom-goers and the music was provided by the Majestic Music Productions. Again Mr. Flannery provided his exquisite photo service for those wishing a more permanent remembrance of the occasion. Each attending couple received a Keychain (which served as a ticket) and a cocktail flute as momentos. The after Prom was held at the Springfield Court Club from 1 am till 3 am. Late night revelers enjoyed racquetball, volleyball, foosball and a lot of late night (or early morning) socializing. Plenty of good music, cold soft drinks, and free Pizza was on hand.

Court: Carrie Silverstein, Matt Leahy, Jill Wilson, Steve Ullman, Deb Bailey, Paul Toriello, Amy

Prom King and Queen: Keith Calabrese and Julie Cormerford.

Character

Teachers, have you done your homework for retirement?

When it comes to choosing the best retirement plan, you're faced with some pretty tough questions. But the only right answer may be a Tax-Sheltered Retirement Savings Program from IDS.

An IDS Tax-Sheltered Annuity (TSA) or Tax-Sheltered Custodial Account (TSCA)* can give you exactly what you want from a retirement program: *extra income when you retire, and more take-home pay now.*

After-tax investment		Pre-tax TSCA investment	
Annual Salary	\$26,000	Annual Salary	\$26,000
Taxes	3,781	TSCA investment	2,000
			3,221 Taxes
Investment	2,000	Take-home pay	20,779
Take-home pay	20,219	(\$560 increase)	

Consider just some of the many features our programs offer:

IDS TSA

- Two types of annuities, flexible and fixed
- Special loan privileges on the flexible annuity
- Convenient, cost-free transfer options by phone or mail
- Versatile purchase amounts

What's more, with an IDS TSA or TSCA, you have the advantage of working with one of our experienced personal financial planners. Someone who can help you tailor your investment to match your spe-

cific needs. And *your* specific financial and retirement goals.

IDS is offering teachers a special opportunity to sit down one-to-one with a planner to discuss your retirement savings.

Think of it as doing your homework.

This free 30-minute consultation will give you some straight answers to your concerns and questions. Answers you need to make an educated decision about planning your retirement.

To schedule your free 30-minute consultation call 000-0000 or send in the coupon today.

For more complete information about TSAs, TSCAs and their underlying investment vehicles, including charges and expenses, request a prospectus from the address below. Read it carefully before you invest or send money.

YES! I want to meet with an IDS Personal Financial Planner to discuss Tax-Sheltered Retirement Programs. I understand that there is no cost or obligation.

Marsha Bradley Dietlein

Former North High School Student Marsha Bradley Dietlein opened in one of the leading roles in the film "Return of the Living Dead — Part II." The film was released in Mid-January and had its Premier showing here in Springfield at the Regent Theatre. Marsha returned to Springfield for the promotional, and, of course visited with the students and faculty of her old "ALMA MATER." Marsha's father is a teacher at North and is extremely proud of her. Marsha has also modeled for such magazines as CYCLE and TENNIS.

Good Luck
Seniors!

We keep it simple to make sure it's for keeps.

To hold on to our customers, we have to hold on to their confidence. And our very simple policy has given us a very firm grip.

We sell and service cars in a way that customers understand during the transaction and in a way that makes them believe in us afterwards.

Perhaps you'd like to deal with people who are confident about the dealership where they work. Perhaps you'd like to be certain that the deal is good and the service is right.

You can if you become our customer. You know that we're building a business for keeps.

F O O T B A L L

The Panther squad commenced the '87 season with a decisive win over the Tecumseh Arrows and then suffered a heartbreaking loss to Xenia in the closing moments of the game. The Panthers then won their next 5 games, and their 28-0 win over Beavercreek was the 100th win in the 27 year history of the school. The Varsity suffered 3 more heart-breaking losses at the end of the season — a 0-36 loss to Centerville, 22-23 loss to South, and a 22-26 loss to the Wayne Warriors.

GYMNASTICS

Jamie Eubanks is ready for a perfect routine.

"Gymnastics is a very time consuming and challenging sport, but well worth it," says team member Kathy Parks. The team won their first meet Alter and Fairborn, and remained strong and encouraged throughout the season. The most valuable player went to Jamie Eubanks. The Most Dedicated (coaches award) went to Patti Henize, and the Most Improved went to Kathy Parks.

GYMNASTICS

Sam Heinzen, a well achieved gymnast at North High School, who has done well above the average student. He has practiced gymnastics since he was seven, and scored high amongst the judges since his freshman year. When Sam began gymnastics he was coached by the late Jim Smith. He spent seven years with Jim before going to the Columbus Gymnastics Academy where he is currently training. Sam competes in all six of the men's Olympic events which are: Floor Exercise, Pommel Horse, Still Rings, Long Horse Vault, Parallel Bars, High Bar. Dennis McIntyre, Sam's present coach, has led him to compete in the State High School competition all four of his competing years. He placed first in Long Horse Vault, second on Floor Exercise, second on Parallel Bars, and placed seventh all-around his junior year. In his senior year he defended his title on Long Horse Vault, won Floor Exercise, placed second on Parallel Bars, third on High Bar, and finished seventh all-around. Through Sam's hard work and consistent effort he is now choosing the college he will attend. He will be able to take a little piece of North High School with him and still always know that the class of 1988 will support him. GOOD LUCK ALWAYS.
"GO SAMMY!!"

"This past season was the best season we've had at North High school. It was made possible by the excellent coaching staff we had. Coach Mark Stoll and brother Doug put in an enormous amount of time in order for us to perfect our skills. They helped us each day and taught us to win and have fun.

We finished the season with 15 wins. We played well together and went through some bad days together. Most of the games. We learned to shake off the losses and to start each game fresh.

The North Baseball Program has changed dramatically during my four years tenure. The first year we got trashed several times. Through hard work and dedication by both players and the coaches North Baseball is once again greatly respected. It wasn't easy but our hard work paid off.

I'll never forget the 1988 Panther team. We had several different types of personalities but we blended together on the field and worked excellent together."

"The Softball team at North High had a much improved season in 1988. Their record was raised to 6 wins 10 losses, with 4 of the wins in the tough Western Ohio League. The team had much talent this year and expects to return all but 4 seniors next year. This season's MVP was Shelly Leonard and The Captain was named Rae Ridder, both juniors."

BASKETBALL

1988 was a good year in basketball for the Panthers as the winning seasons continue to unfold in characteristic fashion. The highlight of the season was our victory over Kettering Alter in our 3rd game. The knights, a perennial power in Ohio Basketball, were defeated by the Panthers after successive wins over Greenon and Dayton Meadowdale. The team shot 58.5% from the field in the opener against Greenon. A second highlight was a victory over Wayne team which was fighting for the WOL lead at the time we played.

Derrick Buford became the 1st player in North's history to letter all 4 years. Derrick is 3rd on the career scoring list with 1056 points. He is also 3rd in Career Rebounds with 708. In the Meadowdale game North scored 66 second half points to rank 3rd in the history of North in points scored in one half.

Steve Victoria was the leading scorer with 353 points and led the team in Field Goal Percentage (54.5%). Neil Stewart was the leader in assists. Steve Victoria, Derrick Buford and Rob Colvin formed one of the strongest rebounding trios in the history of North. Reggie Joyner led the team in Free Throw accuracy followed closely by Neil Stewart. With the advent of the 3 point shot in high school basketball Ahmad Islam led the team in that category. Against Fairborn, Derrick Buford tied a school record by making 9 consecutive free throws.

Derrick Buford and Steve Victoria were named to the All-County team. Derrick played in the District 9 All-Star Game and led his team in scoring. Steve made the All-Area Team (picked by the News-Sun), 1st Team District 9 and the Dayton Daily News All-Area Team. Both Derrick and Steve were named Players of the Week by the Springfield News.

Another first for the 87-88 season was the presence of Rune Pederson, an exchange student from Norway. Rune made a very important contribution to our squad as did all the team members.

Mr. Thomason gives some encouraging words.

As far as the season goes the Girls Basketball Team won two games. The unlucky teams were Fairborn and Central. The Team felt like they accomplished a major goal this year... performing and acting as a team they showed tremendous team work at tournament, making a great comeback from the quarter ending with a close score of 48 to 51.

Shelley Lenord received most valuable player at the awards banquet, an award that she well deserved. The two seniors of the team, Kristen Scott and Luzia Dotson enjoyed their year and wish the team of next year their best.

The Reserve team did extremely well! Hopefully they will all return and have a winning season.

TRACK

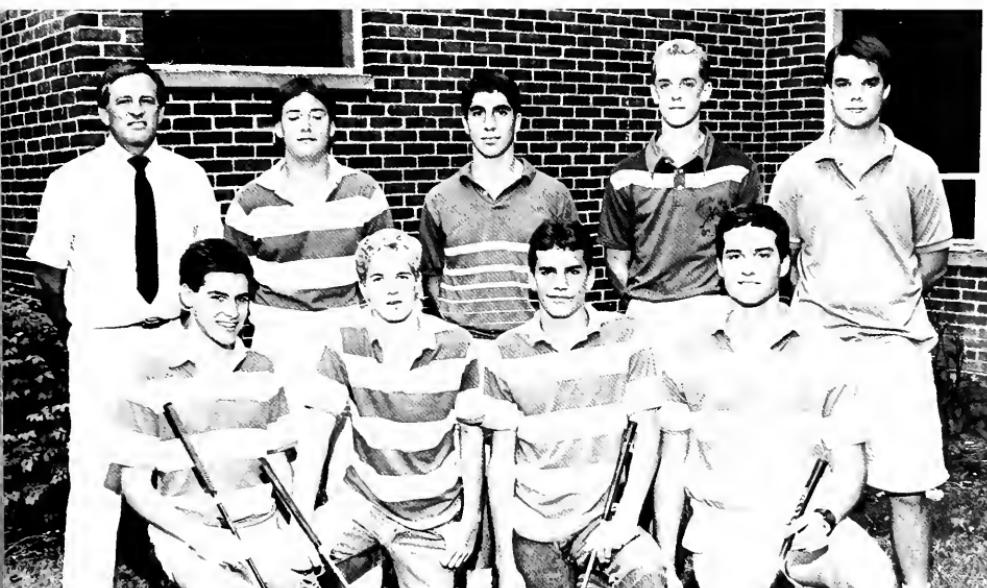

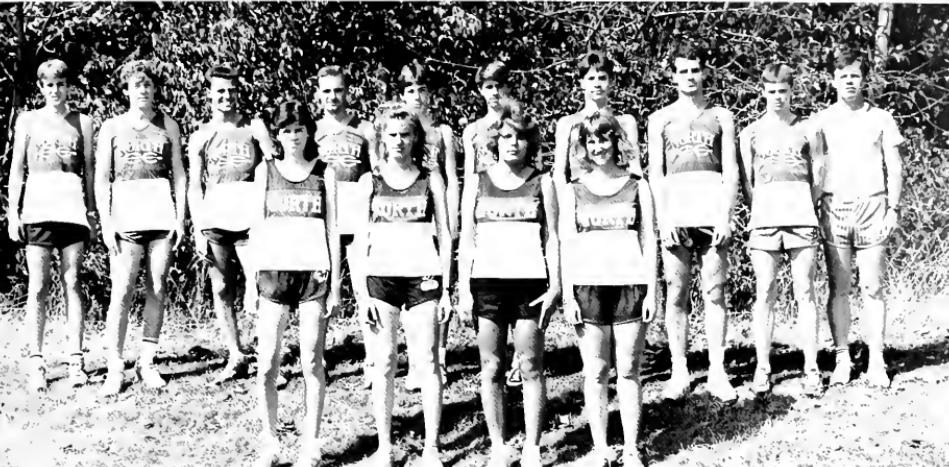

"The North High Girl Track team had a terrific season. The lifting and running during the off season really paid off. The girls won both county meets for the first time. 6 records were also broken during the season. With everyone, except Lisa Miller, returning next year we are hoping for even a better season."

By Alyse Leventhal

CROSS COUNTRY

GOLF

This year's golf team had a tremendously good year. They placed 3rd in the WOL and 1st in Clark County. The golf team showed great effort and spirit. One of the exceptionally good players this year was Randy Cherubini. Randy finished 4th in the state tournament and finished 1st in the WOL and Clark County conferences. Randy was the 3rd golfer at North to reach the state tournament and walked away with 4th place. North's final record for the whole year was 16 wins and 10 losses.

Coach gives Brandon a lift.

Brandon says the water's cool.

Coach Jim Stickford and asst.

"The season went kind of roughly, but as the season progressed, the team became more helpful to coach Jim "Rock" Stickford and a lot more cooperative. I think that everyone was happy with the way things went this year."

"Being on the swim team has taught me self-discipline and how to get along with others. I like the feeling of team spirit, and accomplishing my goals," says team member Molly Wagner. The girls won the majority of their swim meets. The Team Captains were Mandy Toy and Molly Wagner. Jeremy Flack and Molly Wagner walked away with most valuable."

Home Ec. Wedding

The Robert C. Lynch Library was the scene of this year's annual Home Ec. Wedding. Each year students in the various Home Ec. classes, but most specifically those enrolled in the course Marriage and Family, plan a wedding — everything from making the gown to catering the food. It gives the students who participate a chance to learn from first hand experience how to plan for their own weddings in the future. The bride and groom in this year's wedding were Sherene Riggle and Paul Moss.

"SADIES GOES FIFTIES"

The annual Sadies dance was held in the gym on Feb. 6, 1988. The theme was a 1950's motif and all in attendance dressed the part. Many people hunted through thrift shops, vintage clothiers, and their parents' attics for saddle shoes, crinolines, cardigan letter sweaters, and pegged trousers. Mr. Manoloff and Mr. Ulliman dee-jayed the festivities.

HEATWAVE DAY!

When March winds start to blow a student's thoughts turn to spring and the end of school. March 18th was the annual Heatwave Day. Mother nature was not very cooperative this year. When the students arrived at North the temperature was an un-balmy 32 degrees and snowing. But that didn't stop our student body from getting into the swing of things — at least the building was toasty warm, and all one had to do is close his eyes and pretend it was a day in mid-June.
